Transparency is key in all aspects of life and business. Good Intentions pays employees a livable wage; in order to do that without elevated menu prices, we've added a 3.25% kitchen appreciation fee and 100% of that fee is divided up among kitchen staff to help bridge the pay gap between front and back of house. We also charge a 2.20% fee for all take out orders to cover the cost of eco-friendly packaging. Thank you for understanding and supporting livable wages for our staff.
